Paul D. Bundy, MA, RPA		Director of Operations – Louisiana, Principal Investigator, Lithic Specialist	
Availability: Immediate Email: bundypauld@crai-ky.com	Specific Duties:	Education and Training:	
	<ul style="list-style-type: none"> • Director of Louisiana Operations • Principal investigator • Lithic specialist • Preparation of proposals and budgets 	<ul style="list-style-type: none"> • M.A., anthropology, University of Memphis, Memphis, Tennessee • B.A., anthropology, University of Memphis, Memphis, Tennessee 	
Experience Summary Information			
Director of Operations - Louisiana	Principal Investigator/ Project Archaeologist	Field Director/ Crew Chief Field Tech/Lab Tech	
Cultural Resource Analysts, Inc., Shreveport, Louisiana 2009 - present	Cultural Resource Analysts, Inc., Lexington, Kentucky 2003 - 2009	Working in Southeastern United States 1992 – 2003	
<p>Mr. Bundy functions as a Project Archaeologist, Lithic Specialist, Principal Investigator, and as Director of Operations in Louisiana. He is responsible for marketing; coordination with state and federal agencies and private sector clients; development of research designs, scopes of work, and budgets; technical review of project reports; project staffing; and management of field and office personnel. He has organized and managed a variety of large and small-scale archeological projects in Illinois, Indiana, Kentucky, Louisiana, Missouri, and Mississippi, Tennessee. Mr. Bundy has worked primarily in Kentucky, Tennessee, and Louisiana, but also has experience in Arkansas, Georgia, Illinois, Indiana, Mississippi, and Missouri. This includes Phase I Archeological Surveys (covering over 40,000 acres), Phase II Archeological Testing projects (including Late Archaic, Early Woodland, Middle Woodland, Late Woodland, Fort Ancient, and Mississippian sites), and Phase III Data Recoveries/Research Excavations (including Early, Middle, and Late Archaic; Middle and Late Woodland; Mississippian; and Late 19th-Early 20th Century sites). He is experienced in Prehistoric and Historic Archaeology, and has acted as Principal Investigator/Project Archeologist/Archaeological Field Supervisor or Crew Chief for Phase I, II and III projects located in Illinois, Indiana, Kentucky, Tennessee, Louisiana, Missouri, and Mississippi. His major interests focus on prehistoric lithic industries and late prehistoric ceramics. He has presented papers at state and regional meetings and has authored and co-authored publications.</p> <p>Phase III Experience:</p> <p>Mr. Bundy has participated in a number of Phase III Mitigations in the southeast. Examples include the following:</p> <ul style="list-style-type: none"> • Field Supervisor/Project Archaeologist, Phase III Data Recovery of 15Oh161 (Equality Boot Rockshelter). Early, Middle, and Late Archaic and Late Woodland/Mississippian components. Ohio County, Kentucky. Armstrong Coal Company, Inc. • Field Supervisor, Phase III Data Recovery of 11PK1718. Woodland components. Pike County, Illinois. Rockies Express Pipeline [East], LLC and Caprock Environmental Services, LLC. • Field Supervisor/Project Archaeologist, Phase II/III Data Recovery of 12D363 (the Levee Site). Middle, Late, and late Late Woodland components. Dearborn County, Indiana. Argosy Casino. • Field Supervisor/Project Archaeologist, Phase III Data Recovery of 12D509 (the Keller Site) Localities B, G, I, J, and M. Middle and Late Woodland and Late Archaic components. Dearborn 			

- County, Indiana. Argosy Casino.
- Field Supervisor/Project Archaeologist, Phase III Data Recovery of the area west of the primary mound to be impacted by proposed renovations at Chucalissa (40Sy1), Shelby County, Tennessee. University of Memphis.
- Field Supervisor, Phase III Mitigation of the Baxter Lake Site (23Le41) as part of the Avenue of Saints Archaeological Project. Lewis County, Missouri. Missouri Department of Transportation.
- Field Supervisor/Project Archaeologist, Phase III Data Recovery of the area impacted by the outflow pipeline at 15Bc17. Early-Late Archaic and Crab Orchard components. Breckinridge County, Kentucky. City of Hardinsburg.

Mr. Bundy has participated in a number of large and small scale phase I reconnaissance projects. Examples include the following:

- Field Director, 14.5-mile, Phase I Survey, Savatran Railroad Spur, Franklin and Hamilton County, Illinois. Savatran, LLC.
- Field Director, 800 acres, Phase I Survey, Hillsboro Coal Mine, Montgomery County, Illinois. Hillsboro Energy.
- Field Director, 170 acres, Phase I Survey, Locust Grove Coal Mine, Franklin County, Illinois. Locust Grove Energy.
- Field Director, 4,937 acres, Phase I Survey, Fort Polk Military Base and Kisatchie National Forest, Vernon Parish, Louisiana. National Park Service.
- Field Director, 4,088 acres, Phase I Survey, Fort Polk Military Base and Kisatchie National Forest, Vernon Parish Louisiana. National Park Service.

- Co-Field Director, 4,796 acres, Phase I Survey, Fort Polk Military Base, Vernon Parish, Louisiana. National Park Service.
- Field Director, 4,862 acres, Phase I Survey, Fort Polk Military Base and Kistachie National Forest, Vernon Parish, Louisiana. National Park Service.
- Field Director, 5,000+/- acres, Phase I Survey, Fort Campbell Military Base, Christian and Trigg Counties, Kentucky and Montgomery and Stewart Counties, Tennessee. National Park Service.
- Field Director, 3.8 linear miles (128.56 acres), Phase I Survey of 3.8 Linear Miles (Targeting areas of High Archaeological Potential) within the Proposed KY 11 Reconstruction Project Boundaries in Lee and Owsley Counties, Kentucky. GRW Engineering and KYTC.
- Field Director, 168.72 acres, Phase I Survey with Near Surface Geophysical Survey (NSGS) and Limited Testing at Four Sites (15Mm180, 15Mm182, 15Mm185, and 15Mm192) within the Proposed KY 11 Reconstruction Project Boundaries in Montgomery County, Kentucky. KYTC.

Professional Papers Presented:

2009

Richard L. Herndon, Paul D. Bundy, and Brian G. DelCastello
A Late Woodland Occupation in the Uplands, Pike County, Illinois. Paper presented at the 54th Annual Meeting of the Midwest Archaeological Conference, Iowa City, Iowa.

2007

Bundy, Paul D. and Jennifer Barber
 Phase III Testing and Mitigation of Late Archaic through Late Prehistoric and Nineteenth through Twentieth Century Components in the Middle Ohio Valley (2005-2007 Fieldwork at Argosy Casino in Lawrenceburg, Indiana). Paper presented at the 52nd Annual Meeting of the Midwest Archaeological Conference, South Bend, Indiana.

2002

A Guided Tour of Chucalissa Archaeology: Fifty-Nine Years of Archaeology at the Site and the History of the Site Based on Archaeological Evidence. Presented with J. W. Gray at 2002 Mid-South Archaeological Conference, Memphis, Tennessee.

2000

Phase III Data Recovery in the Areas Impacted by the 1999 Renovations at Chucalissa State Park (40SY1), Shelby County, Tennessee. Paper presented with J.W. Gray at Current Research in Tennessee Archaeological Conference, Nashville, Tennessee.

1994

Investigations at the Foust Site Complex, Briensburg, Kentucky. Paper presented at the Kentucky Heritage Council Annual Conference, Southeast Missouri State University, and Murray State University.
