<b>Richard L. Herndon, MA, RPA</b>		<b>Director of Operations – Illinois, Principal Investigator, Prehistoric Ceramics Specialist</b>	
<b>Availability:</b> Immediate <b>Email:</b> rherndon@crai-ky.com	<b>Specific Duties:</b> <ul style="list-style-type: none"> <li>• Director of Illinois operations</li> <li>• Principal investigator</li> <li>• Project manager</li> <li>• Ceramic analyst</li> <li>• Proposals and budgets</li> </ul>	<b>Education and Training:</b> <ul style="list-style-type: none"> <li>• M.A. anthropology, University of Southern Mississippi</li> <li>• B.A. anthropology, University of South Carolina</li> </ul>	
<b>Experience Summary Information</b>			
<b>Director of Operations – Illinois, Principal Investigator, Prehistoric Ceramics Specialist</b> Cultural Resource Analysts, Inc. 2002 – present			
<p><b>Mr. Herndon</b> has served as a principal investigator and ceramic analyst for Cultural Resource Analysts for the past six years. He has overseen large-scale phase III mitigation projects, as well as, phase I and II projects throughout the midwest and southeast with a strong emphasis on the Mississippi and Ohio River areas.</p> <p>Mr. Herndon has 20 years experience in all aspects of archaeology including teaching, management, and field research in both academic and cultural resource management contexts. Since 1990, he has conducted archeological research in Archaic, Woodland, and Late Prehistoric periods as well as on historic period sites, with a particular interest in Late Woodland and Late Prehistoric Mississippian cultures.</p> <p><b>Experience Highlights:</b></p> <ul style="list-style-type: none"> <li>• He has conducted archaeological investigations in a variety of situations throughout Illinois, including working for the National Forest Service (Shawnee Nat'l Forest), Center for Archaeological Investigations (SIUC), and various CRM driven research projects.</li> <li>• He has spent many years researching the archaeology of Kentucky, Illinois, and Missouri in general and the Lower Ohio River valley in particular.</li> <li>• Taught anthropology and archaeology courses at Southern Illinois University, Southeast Missouri State University, and the University of Southern Mississippi.</li> <li>• He also has an extensive background in prehistoric ceramic analysis (Ohio and Mississippi River valleys).</li> <li>• Designing Scope of Works and budgets for all phases of archaeological fieldwork.</li> <li>• Active in expanding CRAI interests into new markets, including Illinois and Missouri. Recent successes include several very large phase III transportation projects in eastern Missouri and long term coal projects in southern Illinois.</li> <li>• Project Manager and Principle Investigator for all Illinois projects.</li> </ul> <p><b>Select Technical Reports (Primary Author):</b></p> <p style="padding-left: 40px;"><i>Archaeological survey of Segment 1 of the proposed new route from Minnie to Harold,</i> Contact Publication Series 02-251. Cultural Resource Analysts, Inc.</p>			

*Phase II Register Evaluation of the Chestnut Lake Site (15Lv222) and the Crouse Site (15Lv223).* Publication Series 03-32. Cultural Resource Analysts, Inc.

*Phase III Mitigation of the Elk Fork Site (15Mo140): A Late Woodland Occupation in Northeastern Kentucky.* Publication Series 03-217. Cultural Resource Analysts, Inc.

*Phase III Mitigation of 23FR525, a Late Woodland site, and 23FR526, a Middle Archaic site, located in Franklin County, Missouri.* Publication Series 04-178. Cultural Resource Analysts, Inc.

*Phase I Surface and Subsurface Survey for the Proposed East End Bridge of the Ohio River Bridges Project (LSIORB) in Jefferson County, Kentucky (Item No. 5-118.00).* Contract Publication Series 06-028. Cultural Resource Analysts, Inc.

*Archaeological Monitoring of Geotechnical Borings for the Proposed Kennedy Bridge Interchange Area of the Ohio River Bridges Project in Jefferson County, Kentucky: Phases 1 through 5 (Item No. 5-118.00).* Contract Publication Series 06-096. Cultural Resource Analysts, Inc.

*Phase II National Register Evaluations of Sites 11FK226 and 11FK227 in Franklin County, Illinois.* Contract Publication Series 07-027. Cultural Resource Analysts, Inc.

*Data Recovery at the Middle Woodland Carskadon Site in Lewis County, Missouri.* Contract Publication Series unassigned. Cultural Resource Analysts, Inc.

*Data Recovery at the Late Woodland Artesian Branch Site in Lewis County, Missouri: a South Branch phase Occupation.* Contract Publication Series unassigned. Cultural Resource Analysts, Inc.

*Data Recovery at 11PK1718 Site: A Late Woodland Site in Pike County, Illinois.* Contract Publication Series 08-102. Cultural Resource Analysts, Inc.

#### **Specialized Analysis for Technical Reports:**

Ceramics. In *Archaeological Investigations at the Rose Hotel (11Hn-116), Hardin County, Illinois.* Technical Report 99-3. Center for Archaeological Investigations, Southern Illinois University, Carbondale.

Ceramics. In *Archaeological Investigations at Dixon Springs State Park: The Hills Branch Rock Shelter, Pope County, Illinois.* Technical Report 00-2. Center for Archaeological Investigations, Southern Illinois University, Carbondale.

Ceramics. In *The Old Runway Site (11J-1009): A Late Woodland Settlement on the Big Muddy River*, edited by Brian Butler. Technical Report 00-4. Center for Archaeological Investigations, Southern Illinois University, Carbondale.

Ceramics. In *The Unity Point Site (11J-639): Late Woodland Settlement in the Pyles Fork Creek Valley.* Technical Report 02-1, Center for Archaeological Investigations, Southern Illinois University, Carbondale.

Ceramics. In *The Giant City Stone Fort (11J-35), Jackson County, Illinois.* Technical Report 02-2. Center for Archaeological Investigations, Southern Illinois University, Carbondale.

Ceramics. In *Phase II Register Evaluation of the Chestnut Lake Site (15Lv222) and the Crouse Site (15Lv223).* Publication Series 03-32. Cultural Resource Analysts, Inc.

Ceramics. In *Phase III Mitigation of the Elk Fork Site (15Mo140): A Late Woodland Occupation in Northeastern Kentucky.* Publication Series 03-217. Cultural Resource Analysts, Inc.

Ceramics. In *Data Recovery at the Middle Woodland Carskadon Site in Lewis County, Missouri.* Contract Publication Series unassigned. Cultural Resource Analysts, Inc.

Ceramics. In *Data Recovery at the Late Woodland Artesian Branch Site in Lewis County, Missouri: a South Branch phase Occupation.* Contract Publication Series unassigned. Cultural Resource Analysts, Inc.

#### **Research Papers Presented at Professional Conferences:**

**2007** Preliminary Assessment of a South Branch Phase Ceramic Assemblage from Lewis County, Missouri. Paper presented at Midwest Archaeological Conference. Note

Dame, In.

- 2005** Archaeological Investigations at the Rohlfing Site: A Late Woodland Occupation in Northern Franklin County, Missouri. Paper presented at Missouri Archaeological Conference. Columbia, Mo.
- 2004** Archaeological Investigations at the Elk Fork Site in Morgan County, KY. Paper presented at the West Virginia Archaeological Conference. Charleston, WV.
- 2004** Archaeological Investigations at the Elk Fork Site in Morgan County, KY. Paper presented at the Kentucky Heritage Council Meeting. Lexington, KY.
- 2003** *Further Musings Concerning the Relationship Between Ceramic Vessel Performance, Temper Type Selection, and Woodland Subsistence Practices in Extreme Southern Illinois.* Paper presented at 60<sup>th</sup> Southeastern Archaeological Conference. Charlotte, NC.
- 2002** *Contributions of Temper Type to the Mechanical Performance of Ceramic Cooking Vessels: Extending Braun's Research with Data from the Big Muddy Drainage of Southern Illinois.* Paper presented at the 59<sup>th</sup> Southeastern Archaeological Conference. Bixoli, Mississippi.
- 2001** *Technological Analysis of Late Woodland Pottery in the Big Muddy Drainage of Southern Illinois.* Paper presented at the 58<sup>th</sup> Southeastern Archaeological Conference. Chattanooga, TN.
- 2000** *Revaluating the Crab Orchard Component at the Baumer Site, Massac County, Illinois* (Brian G. DelCastello – junior author). Paper presented at the Annual Meeting of the Archaeological Survey. Pere Marquette State Park, Illinois.
- 2000** *Baumer Site: Re-Analysis of an Early/Middle Woodland Ceramic Assemblage on the Lower Ohio River Valley.* Paper presented at the 56<sup>th</sup> Southeastern Archaeological Conference. Pensacola, Florida.
- 1999** *Preliminary Analysis of Possible Source Areas for Ramey Incised Vessels in the American Bottom.* Paper presented at the Chicago Archaeological Society meetings. Chicago, Illinois.
- 1995** *Elite Use of Architecture Location and Size in the Legitimation of Politico-Religious Power: A Case Study of the Moundville and Lubdub Creek Chiefdoms.* Paper presented at the 52<sup>nd</sup> Southeastern Archaeological Conference. Knoxville, Tennessee
- 1994** *Architectural Correlates of Chiefdoms.* Paper presented at the 51<sup>st</sup> Southeastern Archaeological Conference. Lexington, Kentucky.
