| <p>Ms. Poole began employment as an Architectural Historian for Culture Resource Analysts, Inc.'s Lexington office in April 2016. As an Architectural Historian for CRA, Lauren's responsibilities include researching and documenting historic properties by conducting archival research and field surveys, evaluating the significance of historic properties, and preparing written reports that provide summary findings and recommendations for various types of cultural historic projects.</p> <p>Prior to her employment with CRA, Ms. Poole surveyed as a research assistant with the Historic Preservation Department at the University of Kentucky. She also held internships with the City of Winston-Salem, North Carolina Planning Department, where she worked with the city's historic property database and assisted with property research for various exhibits; Preservation Durham in North Carolina, where she conducted abandoned building surveys, completed archival research, and undertook survey for study list and NRHP properties; and Preservation Chapel Hill in North Carolina, where she was responsible for completing archival research and site documentation.</p> <p><u>Publications:</u></p> <ul style="list-style-type: none"> <i>Exploring the Local: A History of Urban Renewal and Historic Preservation in Lexington, Kentucky.</i> This paper examines the preservation community's reaction, or lack thereof, to the slum clearance and urban renewal projects executed between 1935 and 1974 in Lexington, Kentucky. Master's Project. 2015 <p><u>Representative Projects:</u></p> <ul style="list-style-type: none"> <u>Cultural Historic Baseline Survey for the Proposed Widening of KY 107 and Intersection Improvements at Koffman Drive in Hopkinsville, Christian County, Kentucky.</u> Contract Publication Series 16-100.
