Experience Summary Information		
Architectural Historian Cultural Resource Analysts, Inc. June 2018 - present	Preservationist Thomason and Associates, 2017-2018	Researcher MTSU Center for Historic Preservation 2016-2018
<p>Ms. Andrews is a preservationist with extensive experience in community relations, fieldwork, interpretive content, and project management. She is highly skilled in research and writing, bringing experience from the field of publishing to complement her training in historic preservation. As an architectural historian at CRA, Jenny's responsibilities include researching and documenting historic properties by conducting archival research and field surveys, evaluating the significance of historic properties, and preparing written reports that provide summary findings and recommendations. Her project work also includes context development, cultural landscape documentation, development of interpretive products, and preservation planning.</p> <p>Recent and Current Projects:</p> <ul style="list-style-type: none"> • <i>NRHP Nomination: Manchester, Kentucky, Historic District</i>, prepared for Clay County Genealogical and Historical Society (2023) (Cultural Resource Analysts, Knoxville, TN).
