

W. Trent Spurlock, MHP		Architectural Historian	
National Park Service Professional Qualification: <ul style="list-style-type: none"> • Architectural Historian • Historian Email: wtspurlock@crai-ky.com	Specific Duties: <ul style="list-style-type: none"> • Architectural historian • Archival research and field documentation • Report preparation 	Education and Training: <ul style="list-style-type: none"> • MHP, University of Kentucky, Lexington, Kentucky • B.S., accounting, Western Kentucky University, Bowling Green, Kentucky 	
Experience Summary Information			
Architectural Historian Cultural Resource Analysts, Inc. May 2002 – present	Historic Preservation R.A. Center for Historic Architectural Preservation, University of Kentucky, August 2002 – May 2003	Loan Officer/Assistant Vice-President Southern Deposit Bank/AREA Bank Russellville Branch September 1987 – August 2001	
<p>W. Trent Spurlock, MHP. Mr. Spurlock has a Masters in Historic Preservation and over twenty years of experience as an architectural historian and field supervisor at Cultural Resource Analysts, Inc. Trent's responsibilities at CRA include coordinating with state agencies and private sector clients, serving as a principal investigator, establishing project schedules, supervising project staff, and providing technical reviews of reports. Mr. Spurlock also researches and documents historic properties by conducting archival research and field surveys, evaluating the significance of historic properties, and preparing written reports that provide summary findings and recommendations for various types of cultural historic projects. Mr. Spurlock has experience surveying various types of projects for Section 106 compliance including highway improvement/reconstruction projects, electric transmission corridors, and United States Army Corps of Engineers jurisdictional boundary projects. He also has experience evaluating the potential effects such projects have on sites listed in or determined eligible for listing in the National Register of Historic Places. Mr. Spurlock has the training to conduct professional archival research on historic properties and to compile written reports synthesizing various types of information.</p> <p><u>Additional Training:</u></p>			

- Kentucky Transportation Cabinet Project Manager's Boot Camp Xpress, December 2022
- Adult First Aid, CPR, and AED, October 2022
- Advisory Council on Historic Preservation Section 106 Agreements Virtual Seminar, July 2022
- Bloodborne Pathogens Training, March 2022
- American Cultural Resources Association Annual Conference, Washington D.C., October 2013
- Battlefields and Beyond: Civil War Sites Preservation in the 21st Century Conference, Danville, KY, August 2013
- Innovative Approaches to Section 106 Mitigation Training, Advisory Council on Historic Preservation, web based training, 2013
- Introduction to NEPA and Transportation Decision Making Training, National Highway Institute, web based training, 2012
- Revisions to the National Register Form and Redacting Information Webinar, National Park Service, web based training, 2012
- Section 106 Training, Ohio Department of Transportation, Columbus, OH, 2012
- Identifying and Evaluating Properties of the Recent Past Workshop, Ohio State Historic Preservation Office, 2011
- OSHA 10-hour Construction Industry Outreach Training Program, 2010
- Department of Defense, Anti-terrorism Level 1 Awareness Training, 2010
- Vernacular Architecture Forum Annual Conference, Washington D.C., 2010

- Section 106 and National Register Eligibility Training, Ohio Department of Transportation, Columbus, OH, 2003

Sample Projects:

Cultural Historic Surveys:

Cultural Historic Overview Study for I-64 Between US 127 and US 60 in Franklin County, Kentucky (Item No. 5-511.00). Project manager and Principal Investigator for letter report utilizing a windshield survey to identify National Register listed and potentially eligible properties within the project study area. Prepared for Qk4, Inc. 2023.

- **Cultural Historic Overview Study of the Smalling Property in Allen County, Kentucky.** Project manager and Principal Investigator for a study that included a records review and an architectural windshield survey identifying National Register listed and potentially eligible properties within the project study area. Prepared for American Engineers, Inc. 2023.
- **Cultural Historic Baseline Survey of KY 114 for the Proposed Mountain Parkway Expansion Project in Magoffin and Floyd Counties, Kentucky (Item No. 10-169 and 12-1).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2023.
- **Construction of an RCUT at the Intersection of US 150B & US 150, Boyle County, Kentucky.** Project manager and Principal Investigator for completing a Highway Safety Improvement Program form. Prepared for H. W. Lochner, Inc. 2023.
- **Safety Improvements to US 421, Jackson County, Kentucky.** Project manager and Principal Investigator for completing a Highway Safety Improvement Program form. Prepared for HMB Professional Engineers, Inc. 2023.
- **Addendum to the May 2022 Cultural Historic Resource Update and Determination of Effects for the 2016 Baseline Survey for the Proposed Paddy's Run Flood Pump Station**

Rehabilitation in Jefferson County, Kentucky. Project manager and Principal Investigator for letter report addressing potential effects to a recommended National Register-eligible site. Prepared for Third Rock Consultants, LLC. 2023.

- **Cultural Historic Resource Survey for the Proposed Stites Stream Restoration Project in the Laughery Watershed, Boone County, Kentucky.** Project manager and Principal Investigator for a study that included an architectural survey within an area of potential effects and recommendation of National Register eligibility and potential effects. Prepared for Stantec. 2023.
- **Cultural Historic Resource Survey for the Proposed Middle Creek Stream and Wetland Restoration Project Phase II in the Middle Ohio-Laughery Watershed, Boone County, Kentucky.** Project manager and Principal Investigator for a study that included an architectural survey of a National Register-listed property within an area of potential effects and recommendation of potential effects. Prepared for Stantec. 2022.
- **Cultural Historic Records Review for the Proposed KY 1487 Improvement Project, Knox County, Kentucky (Item No. 11-80155.00).** Project manager and Principal Investigator for a records review letter report identifying National Register-listed and previously identified properties within the project study area. Prepared for Third Rock Consultants, LLC. 2022.
- **Cultural Historic Baseline Survey for the Proposed Sidewalk Improvements Along KY 74 (West Cumberland Avenue) from MP 15.712 (North 24th Street) to MP 16.234 (North 18th Street) in Middlesboro, Bell County, Kentucky (Item No. 11-80150).** Project manager, Principal Investigator, and assisted with fieldwork with the report evaluating eligibility and addressing determinations of effects for the proposed project. Prepared for Kentucky Transportation Cabinet. 2022.
- **Cultural Historic Baseline Survey for the Proposed Roadway Improvements From Duncannon Road to the Madison County Airport in Madison County, Kentucky (Item No. 7-8853).** Project manager and Principal Investigator for a report addressing determinations of eligibility and effects for the proposed project. Prepared for WSP USA Inc. 2022.
- **Cultural Historic Baseline Survey of KY 114 for the Proposed Mountain Parkway Expansion Project in Magoffin and Floyd Counties, Kentucky (Item No. 10-169).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Baseline Survey for the Proposed Safety Improvements Along KY 8 From MP 3.597 to MP 13.950 in Bracken County, Kentucky (Item No. 6-9026).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Kentucky Transportation Cabinet. 2022.
- **Cultural Historic Overview Study for KY 222 and Its Vicinity in Hardin County, Kentucky.** Project manager and Principal Investigator for letter report utilizing a records review and windshield survey to identify National Register listed and potentially eligible properties within the project study area. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Resource Baseline Survey the Proposed KY 36 Excess Material Area in Bath County, Kentucky (Item No. 9-5014.00).** Project manager and Principal Investigator for letter report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Records Review for the Park South Partners Property in Lebanon Junction, Bullitt County, Kentucky.** Project manager and Principal Investigator for a records review letter report identifying National Register-listed and previously identified properties within the project study area. Prepared for Summit Construction, LLC. 2022.

- **Cultural Historic Determination of Eligibility Survey for the Proposed Ring Road (KY 3005) Extension from Western Kentucky Parkway to KY 61 (Lincoln Parkway) in Hardin County, Kentucky (Item No. 4-198.00).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for resources located within the area of potential effects. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Records Review for the Proposed Kitty Hawk Drive Development Project, Hardin County, Kentucky.** Project manager and Principal Investigator for a records review letter report identifying National Register-listed and previously identified properties within the project study area. Prepared for Thoroughbred Engineering. 2022.
- **Cultural Historic Records Review for the Proposed Cedar Grove Building 11 Project, Bullitt County, Kentucky.** Project manager and Principal Investigator for a records review letter report identifying National Register-listed and previously identified properties within the project study area. Prepared for Prologis, L.P. 2022.
- **Cultural Historic Overview Survey for the KY 3 Planning Study in Auxier and Its Vicinity, Floyd and Johnson Counties, Kentucky.** Project manager and Principal Investigator for a study that included a records review and an architectural windshield survey identifying National Register listed and potentially eligible properties within the project study area. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Baseline Survey for the Proposed Improvements to KY 210 in Larue, Green, and Taylor Counties, Kentucky (Item No. 4-80154.00).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Resource Survey for the Proposed Mitigation Grant Funding for Six Residences in the Bashford Manor Area of Louisville, Jefferson County, Kentucky (Agreement 4600008568).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Louisville and Jefferson County Metropolitan Sewer District. 2022.
- **Cultural Historic Overview Survey for the Proposed Brodhead 69 KV Substation Rebuild Project, Rockcastle County, Kentucky.** Project manager and Principal Investigator for a study that included an architectural survey within an area of potential effects, completion of a report including recommendations of National Register eligibility and effects. Prepared for East Kentucky Power Cooperative, Inc. 2022.
- **Cultural Historic Resource Survey for the Proposed Richards Property Stream Mitigation Bank Project in Scott County, Kentucky.** Project manager and Principal Investigator for a study that included an architectural survey within an area of potential effects and recommendation of National Register eligibility and potential effects. Prepared for RES Kentucky, LLC. 2022.
- **Cultural Historic Resource Survey for the Proposed Marshall Property Development in Shelby County, Kentucky.** Project manager for a study that included an architectural survey within an area of potential effects and recommendation of National Register eligibility and effects. Prepared for Hunt Midwest. 2022.
- **Cultural Historic Baseline Survey for the Proposed Improvements to KY 54 in Ohio County, Kentucky (Item No. 2-8951.00).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2022.
- **Development of a Memorandum of Agreement for the Bowling Green Towers Project in Warren County, Kentucky.** Project manager for developing a memorandum of agreement

between HUD, Kentucky Heritage Council, and property owner for the proposed project. Prepared for LUMENT. 2022.

- **Cultural Historic Baseline Survey for the Proposed Improvements to KY 3143 (Fairview Drive) in Daviess County, Kentucky (Item No. 2-8854.00).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Baseline Survey for the Proposed I-64 Widening from MP 32.3 to MP 35.9 in Shelby County, Kentucky (Item No. 5-65.4).** Project manager and Principal Investigator for report addressing determinations of eligibility and effects for the proposed project. Prepared for Qk4, Inc. 2022.
- **Cultural Historic Records Review for the Sanitation District No. 1 W6 Force Main and Conveyance Project in Boone and Kenton Counties, Kentucky.** Project manager and Principal Investigator for a records review letter report identifying National Register-listed and previously identified properties within the project study area. Prepared for Third Rock Consultants, LLC. 2022.
- **Cultural Historic Resource Update and Determination of Effects for the 2016 Baseline Survey for the Proposed Paddy's Run Flood Pump Station Rehabilitation in Jefferson County, Kentucky.** Project manager and Principal Investigator for letter report addressing potential effects to a recommended National Register-eligible site. Prepared for Third Rock Consultants, LLC. 2022.
- **Cultural Historic Baseline Survey for the Proposed Safety Improvements to KY 22 from KY 227 to KY 845 in Owen County, Kentucky (Item No. 6-198).** Project manager and Principal Investigator for report recommending determinations of eligibility and effects for the proposed project. Prepared for Kentucky Transportation Cabinet. 2022.
- **Cultural Historic Overview Survey for the Proposed Milton-Bedford 69 KV Transmission Line Rebuild Project, Trimble County, Kentucky.** Project manager and Principal Investigator for a study that included an architectural survey within an area of potential effects, completion of a report including recommendations of National Register eligibility and effects. Prepared for East Kentucky Power Cooperative, Inc. 2022.
- **Addendum to Cultural Historic Baseline Survey for the Proposed Realignment of US 460, Newtown, Scott County, Kentucky (Item No. 7-8705.1).** Project manager, Principal Investigator, and co-author for report addressing determinations of eligibility and effects for proposed alternatives for the proposed project. Prepared for Qk4, Inc. 2022.
- **Development of a Memorandum of Agreement for the Prestonian Development Project in Louisville, Jefferson County, Kentucky.** Project manager for developing a memorandum of agreement between the City of Louisville, Kentucky Heritage Council, and property owner for the proposed project. Prepared for LDG Multifamily LLC. 2022.
- **National Register of Historic Places Evaluation of Buckhorn Lake Dam in Perry County, Kentucky and Taylorsville Lake Dam in Spencer County, Kentucky.** Project manager and Principal Investigator for two determination of eligibility reports for United States Corps of Engineer owned dams. Prepared for Cabrera Services, Inc. 2022.
- **Cultural Historic Resource Survey for the Proposed Woodlawn Interceptor Project, Nelson County, Kentucky.** Project manager for a study that included an architectural survey identifying one historic property within an area of potential effects and recommendation of National Register eligibility. Prepared for Horizon Engineering, LLC. 2021.
- **Cultural Historic Survey for the Proposed Ash Avenue Interceptor Project in Jefferson and Oldham Counties, Kentucky.** Project manager for a study that included an architectural

survey identifying three historic properties within an area of potential effects, completion of a letter report including recommendations of National Register eligibility. Prepared for RES. 2021.

- **Cultural Historic Baseline Survey for the Proposed Cave Run Water Intake and Transmission Main Project in Rowan County, Kentucky.** Project manager for a study that included an architectural survey identifying six historic properties within an area of potential effects, completion of a report including recommendations of National Register eligibility. Prepared for Eclipse Engineers, PLLC. 2021.
- **Cultural Resource Records Review for the Henderson South Raw Water Intake and Water Main in Webster and Henderson Counties, Kentucky.** Project manager and Principal Investigator for a study that included a records review of the records of the Kentucky Heritage Council along with a review of historic maps and aerials to determine if previously identified historic resources are located in the study area along with the possibility of previously unidentified historic properties. Prepared for Henderson Water Utility. 2021.
- **Cultural Historic Survey for the Proposed Waste Water Treatment Plant on Logan Station Road in Shelby County, Kentucky.** Project manager for a study that included an architectural survey identifying four historic properties within an area of potential effects, completion of a letter report including recommendations of National Register eligibility. Prepared for HDR Engineering, Inc. 2021.
- **Cultural Historic Resource Survey for the Proposed East Frankfort Interceptor and Waste Water Storage Tank in Frankfort, Franklin County, Kentucky.** Project manager and Principal Investigator who also assisted with the fieldwork for a study that included an architectural survey identifying two historic properties within an area of potential effects, completion of a letter report including recommendations of National Register eligibility. Prepared for Third Rock Consultants, LLC. 2021.
- **Historic Resource Study for Fort Donelson National Battlefield, Stewart County, Tennessee.** Served as architectural historian assisting with archival research, fieldwork, and co-authoring report including a historic context of the area, resource descriptions, and recommendations of National Register eligibility as contributing or non-contributing resources, and management recommendations. Prepared for National Park Service. 2020.
- **Cultural Historic Resource Survey of Structures in the Footprint of the Section 202 Flood Damage Reduction Project in the Town of Martin, Floyd County, Kentucky.** Principal Investigator and lead architectural historian tasked with conducting an architectural survey identifying 65 historic properties within an area of potential effects, co-authored report that included a historic context, resource descriptions, and recommendations of National Register eligibility. Prepared for ECS-GEC JV with U.S. Army Corps of Engineers as lead agency. 2019.
- **Cultural Historic Resource Re-Survey of the Russell Historic District in Louisville, Jefferson County, Kentucky.** Project Manager and Principal Investigator tasked with leading fieldwork of recording over 1,200 properties, authoring the survey report, and coordinating completion of survey forms. Prepared for CDM Smith on behalf of FEMA, 2019.
- **Cultural Historic Eligibility Survey for the Proposed Reconstruction of U.S. 460 from I-75 in Scott County to KY 353 in Bourbon County, Kentucky (Item No. 7-8705.1).** Principal Investigator tasked with surveying resources and co-authoring report addressing determinations of eligibility for the proposed project. Prepared for Qk4, Inc. 2019.
- **Cultural Historic Resource Survey for the Proposed South Sewer Interceptor and Mobile Home Park Collector System Improvements in Scott County, Kentucky.** Principal Investigator tasked with surveying resources, evaluating eligibility, and co-authoring report addressing determinations of effects for the proposed project. Prepared for Third Rock Consultants, LLC. 2019.

- **A Cultural Resources Records Review for the Proposed East Frankfort Interceptor SS Storage Tank Project in Franklin County, Kentucky.** Co-project manager and Principal Investigator for a combined cultural historic and archaeology records review of the records of the Kentucky Heritage Council and the Office of State Archaeology along with a review of historic maps and aerials to determine if previously identified historic resources are located in the study area. Prepared for Third Rock Consultants, LLC. 2019.
- **Cultural Historic Resource Survey for the Proposed Expansion of Wastewater Treatment Plant No. 1 in Georgetown, Scott County, Kentucky.** Assisted with the fieldwork for a study that included an architectural survey identifying three historic properties within an area of potential effects, completion of a letter report including recommendations of National Register eligibility. Prepared for GRW. 2019.
- **Historical/Architectural Survey Report and Documentation of Effects Pursuant to 36 CFR 800 and De Minimis Section 4(F) Documentation for the Proposed Reconstruction and Improvement of the I-69 – U.S. 45/U.S. 51 Interchange at the Kentucky/Tennessee State Line at South Fulton in Obion County, Tennessee (TDOT PIN 124745.0).** Principal Investigator tasked with surveying resources, evaluating eligibility, and authoring report addressing determinations of effects for the proposed project. Prepared for Qk4, Inc. 2018.
- **Cultural Historic Resource Baseline Survey for the Proposed Reconstruction and Improvement of the I-69 – U.S. 45/U.S. 51 Interchange at the Kentucky/Tennessee State Line in Fulton, Fulton County, Kentucky (Item No. 1-25.00).** Principal Investigator tasked with surveying resources, evaluating eligibility, and co-authoring report addressing determinations of effects for the proposed project. Prepared for Qk4, Inc. 2018.
- **An Additional Property Associated with the Cultural Historic Resource Survey for the Use of Mitigation Grant Funding for the Proposed Acquisition of Properties at Various Locations in Jefferson County, Kentucky letter report.** Principal Investigator tasked with survey efforts of single house added to previous project, evaluating eligibility and determination of effects, and authoring letter report. Prepared for Louisville and Jefferson County Metropolitan Sewer District. 2018.
- **Broadmoor Neighborhood Historic Context and Architectural Survey in Little Rock, Pulaski County, Arkansas.** Assisted along with three other staff members in surveying approximately 400 properties anticipated to provide framework for a future National Register of Historic Places district nomination. Prepared for City of Little Rock, Arkansas. 2018.
- **Cultural Historic Resource Survey for the Use of Mitigation Grant Funding for the Proposed Acquisition of Properties at Various Locations in Jefferson County, Kentucky.** Principal Investigator tasked with leading survey efforts of groups of houses in six areas of Louisville, evaluating eligibility and determination of effects to historic properties within the project APE, and co-authoring report. Prepared for Louisville and Jefferson County Metropolitan Sewer District. 2018.
- **Letter Report for Historic Architectural Resource Survey of a Proposed New Access Road to the Huntington Veterans Affairs Medical Center, Wayne County, West Virginia.** Principal Investigator tasked with assisting with surveying resources, evaluating eligibility, and authoring letter report addressing determinations of eligibility and effects for the proposed project. Prepared for Randolph Engineering. 2018.
- **A Cultural Historic Resource Survey for the Proposed Airport Capital Improvement Plan at the Central Kentucky Regional Airport in Madison County, Kentucky.** Principal Investigator tasked with assisting with surveying resources, evaluating eligibility, and co-authoring letter report addressing determinations of effects for the proposed project. Prepared for Third Rock Consultants, LLC. 2017.

- **Resurvey and National Register Nomination Submission for the Expansion of Governor's Mansion Historic District in Little Rock, Pulaski County, Arkansas.** Assisted along with three other staff members in surveying approximately 700 properties and completion of inventory forms. Presented National Register district nomination to state review board. Listed in 2018. Prepared for State of Arkansas, Historic Preservation Program and City of Little Rock, Arkansas. 2017.
- **A Cultural Historic Resource Survey of the Proposed Laurel Creek Tributary Stream Restoration Project in Elliott County, Kentucky (Item No. 12-263.65).** Principal Investigator tasked with evaluating eligibility and co-authoring letter report addressing determinations of effects for the proposed project. Prepared for Redwing Ecological Services, Inc. 2017.
- **Cultural Historic Resource Baseline Survey for the I-275 and Graves Road Interchange Justification Study in Boone County, Kentucky (Item Number 6-8953.00).** Principal Investigator tasked with surveying resources, evaluating eligibility, and co-authoring report addressing determinations of effects for the proposed project. Prepared for HMB Professional Engineers, Inc. 2017.
- **Development of Interpretive Markers for the Summit at Fritz Farm development in Fayette County, Kentucky.** Architectural Historian/Historian responsible for researching, conducting oral interviews, and assisting in development of text and design utilizing historic images for two interpretive markers detailing the history of the farm and agricultural practices during the 20th century in southern Fayette County, Kentucky. 2017.
- **Development of Interpretive Markers for Replacement of Bridge 6019 in Warren County, Virginia.** Architectural Historian/Historian responsible for researching and developing the text and design utilizing historic images for three proposed interpretive markers for the replacement of the existing low water bridge crossing the Shenandoah River at Morgan's Ford on Morgan Ford Road (VA 624) in Warren County, Virginia. 2016-2017.
- **Cultural Historic Resource Baseline Survey for the Proposed U.S. 68 Spot Improvements in Metcalfe and Green Counties, Kentucky (Item Number 3-8706.00).** Principal Investigator tasked with records review and survey efforts to identify NRHP listed or potentially significant properties in the survey corridor and study area. Authoring following letter reports addressing determinations of effects for the proposed project. Prepared for Third Rock Consultants, LLC. 2017.
- **Resurvey and National Register Nomination Submission for the Expansion of Governor's Mansion Historic District in Little Rock, Pulaski County, Arkansas.** Assisted along with three other staff members in surveying approximately 700 properties and completion of inventory forms. Presented National Register district nomination to state review board. Prepared for State of Arkansas, Historic Preservation Program and City of Little Rock, Arkansas. Listed in 2018.
- **Survey of the East Little Rock Industrial Area in Little Rock, Arkansas.** Architectural Historian/Historian assisted in surveying a specified industrial area in eastern Little Rock, Arkansas, conducting research in Little Rock and online, assisted in completing state inventory forms. City of Little Rock, Arkansas. 2017.
- **Cultural Historic Resource Baseline Survey for the Proposed U.S. 460 Reconstruction Project West of Frenchburg in Menifee County, Kentucky (Item Number 10-8802.00).** Architectural Historian/Historian assisted in co-authoring report evaluating eligibility and effect. Prepared for Third Rock Consulting, LLC. 2017.
- **Cultural Historic Resource Survey for the Proposed Kentucky River Lock and Dam No. 10 Renovation Project in Madison and Clark Counties, Kentucky.** Principal Investigator tasked with surveying resources, evaluating eligibility and effect, and authoring report. Prepared for Stantec Consulting Services, Inc. 2016.

- **Cultural Historic Overview Study of the Proposed Elizabethtown-Nelson County 69 kV Transmission Line Rebuild Project in Hardin and Nelson Counties, Kentucky Letter Report.** Principal Investigator tasked with surveying potentially significant and NRHP listed or eligible resources, if such existed within the APE, recommending possible effects to such resources, and authoring letter report. Prepared for East Kentucky Power Cooperative. 2016.
- **Cultural Historic Baseline Survey for the Proposed Widening of KY 1357 (St. John Road) Between Ring Road (KY 3005) and U.S. 31W Bypass in Hardin County, Kentucky (Item Number 498801.00).** Principal Investigator tasked with surveying resources, evaluating eligibility and effect, and co-authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2016.
- **Historic Architectural Resource Survey, Middlesex County, Virginia.** Architectural Historian assisted in a historic architectural resource survey of a portion of Middlesex County, Virginia. Part of a series of projects funded through a Hurricane Sandy Disaster Relief Assistance Grant for Historic Properties. The objective of the study was to identify and document historic architectural resources in an underrepresented county in Virginia's Department of Historic Resources' files. 2016.
- **Cultural Historic Resource Survey for the Proposed Beattyville-Oakdale 69kV Transmission Line Project in Lee and Breathitt Counties, Kentucky.** Principal Investigator tasked with assisting in the survey efforts, evaluating eligibility and determination of effects to historic properties within the project APE, and co-authoring report. Prepared for East Kentucky Power Cooperative, Inc. 2016.
- **Cultural Historic Resource Baseline Survey for the Proposed LIC West Project Located on National Turnpike (KY 1020) in the South Park Area, Jefferson County, Kentucky.** Principal Investigator tasked with evaluating eligibility and determinations of effect and authoring letter report. Prepared for Redwing Ecological Services, Inc. 2016.
- **Cultural Historic Resource Baseline Survey for the Proposed Reconstruction of KY 7 From Sandy Hook to KY 177 at Wrigley in Elliott and Morgan Counties, Kentucky.** Principal Investigator tasked with surveying resources, evaluating NRHP eligibility and determinations of effect, and co-authoring report. Prepared for HMB Professional Engineers, Inc. 2016.
- **Cultural Historic Baseline Survey for the Proposed Widening of KY 107 and Intersection Improvements at Koffman Drive in Hopkinsville, Christian County, Kentucky (Item Numbers 2-8703.00 and 2-203.00).** Principal Investigator tasked with evaluating NRHP eligibility and determinations of effect, and co-authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2016.
- **Victoria Court, Williamson, Mingo County, West Virginia letter report and Historic Property Inventory Form.** Principal Investigator tasked with surveying resource, evaluating eligibility and preparing historic property inventory form. Prepared for Williamson Housing Authority. 2016.
- **Cultural Historic Resource Determination of Eligibility Survey for the Proposed Construction of a New I-65 Interchange at Mile Point 114.4 in Bullitt County, Kentucky (Item No. 5-527.00).** Principal Investigator tasked with surveying resources, evaluating NRHP eligibility and determination of effect, and co-authoring report. Prepared for Parsons Transportation Group, Inc. 2016.
- **Cultural Historic Survey of Additional Areas for the Proposed I-64/Grinstead Drive Combined Sewer Overflow (CSO) Basin Project in Jefferson County, Kentucky letter report.** Principal Investigator tasked with surveying resources, evaluating NRHP eligibility and determination of effect, and co-authoring letter report. Prepared for Redwing Ecological Services, Inc. 2016.

- **Cultural Historic Resource Baseline Survey for the Proposed Replacement of the Old Floydsburg Road Bridge in Oldham County, Kentucky (Item Number 5-494.00).** Principal Investigator assisted with survey efforts. Prepared for Qk4, Inc. 2016.
- **Cultural Historic Resource Baseline Survey for the Proposed Expansion of KY 114 Mountain Parkway Between Salyersville and Prestonsburg in Magoffin and Floyd Counties, Kentucky (Item Numbers 10-169 and 12-1).** Architectural Historian/Historian tasked with surveying resources, evaluating NRHP eligibility and determinations of effect, and co-authoring report. Prepared for Qk4, Inc. 2016.
- **Southerland Pointe Development, Documentation of JF-463 in Jefferson County, Kentucky.** Principal Investigator assisted with survey efforts and preparation of an inventory form for the Yager House (JF-463) in anticipation of future development. Prepared for Mindel, Scott & Associates. 2016.
- **Cultural Historic Resource Survey for the Proposed Long Lick 69 KV Substation and Tap Line Project in Scott County, Kentucky.** Principal Investigator assisted with survey efforts. Prepared for East Kentucky Power Cooperative. 2015.
- **Cultural Historic Resource Baseline Survey for the Proposed Reconstruction of KY 22 at Springcrest Drive and Goose Creek Road in Jefferson County, Kentucky (Item No. 5-371.12 and 5-371.13).** Principal Investigator tasked with surveying resources, evaluating eligibility and effect, and co-authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2015.
- **Cultural Historic Records Review and Windshield Survey for the Scoping Study for the Hodgenville to I-65 Connection in Hardin and Larue Counties, Kentucky letter report.** Principal Investigator tasked with records review and survey efforts to identify NRHP listed or potentially significant properties in the survey corridor and study area, and authoring the letter report. Prepared for Parsons Brinckerhoff. 2015.
- **Cultural Historic Resource Baseline Survey for the Proposed U.S. 421 Widening Project South of Manchester in Clay County, Kentucky (Item No. 11-8003).** Architectural Historian/Historian tasked with surveying properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2015.
- **Beech Mountain Railroad – Norton Branch, Randolph County, West Virginia letter report.** Principal Investigator tasked with survey efforts, evaluating eligibility of a portion of the abandoned railroad line and the individual resources associated with the railroad line, and authoring the letter report. Prepared for United Coal Company, LLC. 2015.
- **Cultural Historic Survey and Inventory of 262 and 272 Houston Avenue and Associated Properties in the Proposed Houston Avenue Historic District in Paris, Bourbon County, Kentucky (FMA-PJ-04-KY-2014-001).** Architectural Historian/Historian tasked with identifying historic properties within the proposed NRHP-eligible Houston Avenue Historic District, documenting two properties slated for demolition, and co-authoring the final report. Prepared for URS. 2015.
- **Historic Architectural Resource Survey for the Proposed American Mountaineer Energy, Inc., Brooklyn Junction Transloading Facility, Wetzel County, West Virginia.** Architectural Historian/Historian assisted in the field survey identifying historic properties within the proposed project's APE. Prepared for Murray Energy Corporation. 2015.
- **Cultural Historic Determination of Eligibility Study for the Proposed Demolition of Buildings at the Cincinnati/Northern Kentucky International Airport in Boone County, Kentucky.** Principal Investigator tasked with surveying resources, evaluating eligibility, and authoring report. Prepared for Kenton County Airport Board. 2015.

- **Cultural Historic Resource Survey for the Proposed Roanoke 69 KV Substation and Tap Line Project in Eastern Hardin and Northern Larue Counties, Kentucky.** Principal Investigator tasked with assisting in the survey efforts, evaluating eligibility and effects to historic properties within the project APE, and authoring report. Prepared for East Kentucky Power Cooperative, Inc. 2015.
- **A Cultural Resources Survey of a Proposed Flow Diversion Sewer Line Along the South Bank of Beargrass Creek in Jefferson County, Kentucky.** Architectural Historian/Historian tasked with surveying two historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for Third Rock Consultants, LLC. 2015.
- **Cultural Historic Resource Survey for the Proposed Clifton Heights Combined Sewer Overflow (CSO) Storage Basin and Associated Infrastructure Project in Louisville, Jefferson County, Kentucky.** Principal Investigator tasked with assisting in the survey efforts, evaluating eligibility and effects to historic properties within the project APE, and co-authoring report. Prepared for Third Rock Consultants, LLC. 2015.
- **Cultural Historic Survey for the Proposed Twin Branch Surface Mine Number 2, Hardee District, Mingo County, West Virginia.** Architectural Historian/Historian tasked with surveying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for Decota Consulting Company, Inc. 2015.
- **Cultural Historic Resource Baseline Survey for the Proposed Reconstruction of KY 7 From Sandy Hook to KY 711 at Wrigley in Elliott and Morgan Counties, Kentucky (Item No. 09-228.00).** Principal Investigator tasked with evaluating eligibility and effect to historic properties within the project APE, assisting with survey efforts, and co-authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2015.
- **Cultural Historic Resource Survey for the Proposed Replacement of the US 60 Bridge Over the Green River at Spottsville, Henderson County, Kentucky (Item No. 2-1080).** Principal Investigator tasked with evaluating eligibility and effect to historic properties within the project APE and assisting with survey efforts. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2014.
- **Cultural Historic Resource Survey for the Proposed Diageo Global Supply Shelbyville Distillery Located East of Shelbyville in Shelby County, Kentucky.** Principal Investigator tasked with evaluating eligibility and effect to historic properties within the project APE, and authoring the report. Prepared for Smith Management Group. 2014.
- **Survey of Cabell County, West Virginia, African American Historical Sites.** Architectural Historian/Historian tasked with identifying sites of historical significance associated with the African American experience in Cabell County, surveying and researching sites, conducting oral interview, and completing report to fulfill a portion of the memorandum of agreement. - **Documentation of West Virginia Colored Orphans' Home, Cabell County, West Virginia.** Architectural Historian/Historian tasked with researching the history of the orphans' home and co-author of report to fulfill a portion of the memorandum of agreement. Prepared for Bowles Rice Attorneys at Law and the Cabell County Public Schools. 2014.
- **Cultural Historic Resource Survey for the Proposed Blankenbaker Station II Additional Lots Expansion Project in Eastern Jefferson County, Kentucky.** Architectural Historian/Historian and Principal Investigator tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and authoring the final report. Prepared for Redwing Ecological Services, Inc. 2014.
- **Desktop review letter report for the U.S. Army Corps of Engineers jurisdictional areas for the Frantz Pipeline project, South Buffalo Township, Armstrong County, Pennsylvania.**

Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for Gannett Fleming Inc. 2014.

- **An Agricultural Context of Holt County, Missouri and Historic Documentation of the Baldwin-Munkres Farmsteads Located on the Squaw Creek National Wildlife Refuge, Holt County, Missouri.** Architectural Historian/Historian tasked with researching the agricultural history of the county and assisted in the documentation of the farmsteads. Prepared for U.S. Fish and Wildlife Service, Midwest Region. 2014.
- **Cultural Historic Overview Survey for the Reconstruction of KY 52 From Wallace Mill to I-75 in Southwestern Madison County, Kentucky (Item Number 7-235.00).** Architectural Historian/Historian tasked with identifying historic properties within the project study area and authoring the final report. Prepared for GRW Engineers, Inc. 2013.
- **Cultural Historic Survey of the Proposed Mount Olive 69 KV Tap Line Relocation Project in Casey County, Kentucky.** Architectural Historian/Historian and Principal Investigator tasked with evaluating eligibility and effect to historic properties within the project APE, and authoring the final letter report. Prepared for East Kentucky Power Cooperative. 2013.
- **A Cultural Historic Resource Records Review for the Small Urban Area Study for the City of Danville and Boyle County, Kentucky.** Architectural Historian/Historian tasked with identifying previously recorded properties within the Small Urban Area study area through a review of records at the Kentucky Heritage Council, including previously listed National Register properties and historic districts, and providing information in a letter report. Prepared for Parsons Brinckerhoff, Inc. 2013.
- **VISN 10 Historic Resource Surveys: Architectural Reconnaissance of the Chalmers P. Wylie Veterans Affairs Ambulatory Care Center, Columbus, Ohio; Dayton Veterans Affairs Medical Center, Dayton, Ohio; and the Fort Thomas Veterans Affairs Community Living Center, Fort Thomas, Kentucky.** Architectural Historian/Historian tasked with conducting an architectural reconnaissance survey identifying historic properties within a visual study area of the three Veterans Affairs properties, evaluating eligibility of the Veterans Affairs properties and those within the study area, and authoring or co-authoring the three reports. Prepared for the U.S. Department of Veterans Affairs, Office of Historic Preservation under subcontract to Labat Environmental, Inc. 2013.
- **Cultural Resource Survey for the Proposed HealthFirst Bluegrass, Inc., Construction Project on Southland Drive in Lexington, Fayette County, Kentucky (HRSA Grant C8ACS21362).** Architectural Historian/Historian tasked with identifying historic properties within the project's visual APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for HealthFirst Bluegrass, Inc. and Department of Health and Human Services. 2013.
- **Cultural Historic Resource Survey for the Proposed Wewoka/West Park Hazard Mitigation Grant Program Grant Application Project in West Louisville, Jefferson County, Kentucky.** Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for Louisville and Jefferson County Metropolitan Sewer District. 2012.
- **Cultural Historic Resource Survey for the Proposed Mercer County Industrial Park-Van Arsdell 69 KV Transmission Line Project in Mercer County, Kentucky (12-174).** Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for East Kentucky Power Cooperative. 2012.
- **Cultural Historic Determination of Eligibility Study for the Proposed New Circle Road (KY 4) Re-hab and Widening from Versailles Road Interchange to Near the Georgetown Road Interchange in Fayette County, Kentucky (Item Number 7-113.00).** Architectural

Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility, and co-authoring the final report. Prepared for HDR Engineering, Inc. 2012.

- **Cultural Historic Baseline Survey for the Proposed Replacement of the KY 152 Kennedy Bridge Over Herrington Lake in Mercer and Garrard Counties, Kentucky (Item Number 7-1116.00).** Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for WMB, Inc. 2012.
- **A Cultural Resource Survey for the Proposed Construction of the New Southside Elementary School in Shelby County, Kentucky.** Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for Redwing Ecological Services, Inc. 2012.
- **Cultural Resource Survey of the Proposed Rehabilitation of the Eastern Parkway (U.S. 60A) Bridge Over the CSX Railroad and Floyd Street Near the University of Louisville in Louisville, Jefferson County, Kentucky (Item Number 5-1050.00).** Architectural Historian/Historian and field supervisor tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and co-authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2008.
- **Cultural Historic Survey for the Proposed Excess Material Fill Areas and Stream Crossings for the Mountain Parkway Widening and Safety Improvements (KY 9000/KY 9009/KY 15S) North of Campton in Wolfe County, Kentucky (Item Number 10-139.00).** Architectural Historian/Historian and field supervisor tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and authoring the final report. Prepared for HMB Professional Engineers, Inc. 2008.
- **Cultural Historic Overview Survey for the KY 44 Corridor Between KY 1633 in Taylorsville and US 31E Bypass in Mt. Washington in Spencer and Bullitt Counties, Kentucky (5-347.50, 5-395.00, and 5-396.00).** Architectural Historian/Historian and field supervisor tasked with identifying possible historic properties within the overview study area and authoring the final report. Prepared for HMB Professional Engineers. 2008.
- **Cultural Historic Overview Survey for Widening KY 53 (La Grange-Ballardsville Road) from KY 22 at Ballardsville to I-71 South of La Grange, Oldham County, Kentucky (5-388.00).** Architectural Historian/Historian and field supervisor tasked with identifying possible historic properties within the overview study area and co-authoring the final report. Prepared for Third Rock Consultants, LLC. 2008.
- **Cultural Historic Survey Within the Proposed Raven Run Nature Sanctuary Addition in Southeastern Fayette County, Kentucky.** Architectural Historian/Historian and field supervisor tasked with identifying historic properties within the proposed addition to the nature sanctuary, evaluating eligibility, and authoring the final report. Prepared for Lexington-Fayette Urban County Government, Division of Parks and Recreation. 2008.
- **FCC Form 620 Submission Packet for the Proposed 280 ft New Providence Cellular Communications Tower in Borden, Wood Township, Clark County, Indiana.** Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and completion of Form 620. Prepared for Craig and Associates, LLC. 2007.
- **National Register Evaluation of Two Cultural Historic Sites Associated With the Proposed Western Kentucky Minerals, Inc., Joes Run Mine, East of Philpot in Daviess County, Kentucky.** Architectural Historian/Historian and field supervisor tasked with surveying two historic properties, evaluating eligibility and effect, and writing the final report. Prepared for Arnold Consulting Engineering and Surveying, Inc. 2007.

- **Cultural Historic Survey for the Proposed Reconstruction of U.S. 460 to Eliminate “S” Curve, 0.2 Mile West of Cane Run Road, West of Georgetown, Scott County, Kentucky (7-344.00).** Architectural Historian/Historian and field supervisor tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and writing the final report. Prepared for the Kentucky Transportation Cabinet. 2007.
- **Cultural Historic Survey for the Proposed Replacement of the Bridge and Approaches on CR 1280 (Cedar Grove Road) Over Whippoorwill Creek in Logan County, Kentucky (3-1066.00).** Architectural Historian/Historian tasked with identifying historic properties within the project APE, evaluating eligibility and effect, and writing the final report. Prepared for the Kentucky Transportation Cabinet. 2007.

Documentation and Mitigation Projects:

- **A Historic District Delineation and National Register of Historic Places Evaluation for a Possible Downtown Greenup Commercial Historic District in Greenup County, Kentucky.** Principal Investigator tasked with delineating and evaluating NRHP eligibility of a possible downtown historic district in Greenup, Kentucky and authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2016.
- **Central Station Vehicular Bridge Spanning Arnold Creek Historic Documentation, Route 11 (Arnold Creek Road), Central Station, Doddridge County, West Virginia.** Principal Investigator tasked with evaluating eligibility, documenting resource, and authoring report. Prepared for Antero Resources Corporation. 2016.
- **Historic Documentation of the CSX Railroad Swing Bridge (HE 313) Spanning the Green River, Located North of U.S. 60, Spottsville, Henderson County, Kentucky (Item No. 2-1080).** Principal Investigator tasked with evaluating NRHP eligibility, documenting resource, and authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2016.
- **Historic Documentation of LV 111, U.S. 60 Bridge Spanning the Cumberland River (Bridge Number 070B00017N), Located North of Smithland, Livingston County, Kentucky.** Principal Investigator tasked with documenting resource, evaluating eligibility, and authoring report. Prepared for Stantec. 2015.
- **Historic Documentation of Fritz Farm (FA 251), Located at 4100 Nicholasville Road, Lexington, Fayette County, Kentucky.** Principal Investigator assisted in documenting resource and authoring report. Prepared for HDR, Inc. 2015.
- **Historic Documentation of Site LW 130, KY 8 Bridge (Bridge No. 068B00003N) Over the Kinniconick Creek, Garrison, Lewis County, Kentucky.** Principal Investigator tasked with evaluating eligibility and documenting resource and co-authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2014.
- **Historic Documentation of the U.S. 60 Bridge (No. 051-0060-B00015N) (HE 240) Spanning the Green River at Spottsville, Henderson County, Kentucky (Item No. 2-1080).** Principal Investigator tasked with evaluating eligibility and documenting resource and authoring report. Prepared for Kentucky Transportation Cabinet, Division of Environmental Analysis. 2014.
- **Baseline Documentation of the Duncan Tavern and Anne Duncan House Transportation Enhancement Project in Paris, Bourbon County, Kentucky.** Principal Investigator, author, and assisted with field work in documenting the resource. Prepared for Kentucky Transportation Cabinet. 2014.
- **Baseline Documentation of the Chesapeake and Ohio Railroad Passenger Depot Transportation Enhancement Project in Mt. Sterling, Montgomery County, Kentucky.** Principal Investigator and assisted with field work. Prepared for Kentucky Transportation Cabinet. 2014.

- **Documentation of West Virginia Colored Orphans' Home, Cabell County, West Virginia.** Historian tasked with researching and preparing a history of the Orphans' Home and co-authoring the report fulfilling a portion of the memorandum of agreement. Prepared for Cabell County Board of Education. 2014.
- **Historic Documentation of Sites FAS 1781 and FAS 1782, Midcentury Commercial Buildings, Located at 480–490 and 496 Southland Drive, Lexington, Fayette County, Kentucky.** Participated in consultation meetings during the Section 106 process leading to the documentation of two buildings located on the proposed project's property and interpretive signage. Assisted in documenting the resources and co-authoring report. Prepared for HealthFirst Bluegrass, Inc. 2014.
- **An Agricultural Context of Holt County, Missouri, and Historic Documentation of the Baldwin-Munkres Farmsteads Located on the Squaw Creek National Wildlife Refuge, Holt County, Missouri (13-311).** Architectural Historian/Historian tasked with conducting a documentation of two historic farmsteads, developing an agricultural context for the county, and authoring the final report. Prepared for the U.S. Fish and Wildlife Service, Midwest Region. 2014.
- **Historic Documentation of Site JF-2384 Residence Located at 2111 South Park Road, Louisville, Jefferson County, Kentucky (12-301).** Architectural Historian/Historian tasked with conducting a documentation of the historic bridge and co-authoring the final report. Prepared for Redwing Ecological Services, Inc. 2012.
- **Baseline Documentation of the Merchants Row Transportation Enhancement Project in Perryville, Boyle County, Kentucky.** Architectural Historian/Historian and field supervisor tasked with conducting a baseline documentation of the historic properties along Merchants Row and writing the final report. Prepared for the Kentucky Transportation Cabinet. 2008.
- **Baseline Documentation of the Neal Building Welcome Center, Transportation Enhancement Project in Carlisle, Nicholas County, Kentucky.** Architectural Historian/Historian tasked with conducting a baseline documentation of the historic property known as the Neal Building and co-authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2007.
- **Historic Documentation of the CR 1280 (Cedar Grove Road) Bridge (LO-89) Over Whippoorwill Creek in Logan County, Kentucky (3-1066.00).** Architectural Historian/Historian tasked with conducting a documentation of the historic bridge and writing the final report. Prepared for the Kentucky Transportation Cabinet. 2007.
- **Historic Documentation of Site LS-73 (Baker Family Farm Site) on Right Fork of Cutshin Creek Road, Southwest of Big Rock, Leslie County, Kentucky.** Architectural Historian/Historian tasked with conducting a documentation of the historic farm site and writing the final report. Prepared for Environmental Risk Management Consulting. 2007.
- **Historic Documentation of the CR 1376 (Watts Drive) Bridge (82-CR-067-5376-C00046) (LR-122) Spanning the North Fork of the Kentucky River in Ulvah, Letcher County, Kentucky (Item No. 12-1081.00).** Architectural Historian/Historian tasked with conducting a documentation of the historic bridge and co-authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2007.
- **Historic Documentation of the Rock Fence (FA-1030) on the West Side of KY 922 (Newtown Pike) Between I-64/I-75 Interchange and Ironworks Pike in Fayette County, Kentucky (Item No. 7-261.00).** Architectural Historian/Historian tasked with conducting a documentation of the historic rock fence along Newtown Pike and co-authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2007.

- **Historic Documentation of the CR 1116 Bridge (BK-402) (76-CR-5116-C00010), Over the North Fork of the Licking River at the Robertson County Line, in Bracken County, Kentucky (Item No. 6-1051.00).** Architectural Historian/Historian tasked with conducting a documentation of the historic bridge and co-authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2005.
- **Historic Documentation of the Bosco Bridge Spanning Right Fork of Beaver Creek, West of KY 550 in Bosco, Floyd County, Kentucky (12-1067.00).** Architectural Historian/Historian tasked with conducting a documentation of the historic bridge and authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2005.
- **Historic Documentation of the CR 1017 (Greenwell Ford Road) Bridge Over the Salt River (BU-38), Smithville Vicinity, Bullitt County, Kentucky (Item No. 5-1025.00).** Architectural Historian/Historian tasked with conducting a documentation of the historic bridge and authoring the final report. Prepared for the Kentucky Transportation Cabinet. 2003.

Gas and Oil Projects:

- **Vadnal Pipeline: Above-ground Structures and Landscape Survey, Butler County, Pennsylvania.** (Co-authored with W. Hunter). Prepared for Gannett Fleming Inc. 2014.
- **Frantz Pipeline: Above-ground Structures and Landscape Survey, Armstrong County, Pennsylvania.** (Co-authored with W. Hunter). Prepared for Gannett Fleming Inc. 2014. 2014.

National Register of Historic Places Nominations:

- **McGrorty Avenue/Old Wilderness Road Historic District National Register of Historic Places Nomination (Danville, Boyle County, Kentucky).** Architectural Historian/Historian tasked with writing and editing NRHP historic district nomination for historically African American residential neighborhood near downtown Danville. Prepared for the City of Danville, Kentucky. Listed 2019.
- **Goodwin Field Administration Building National Register of Historic Places Nomination (El Dorado, Union County, Arkansas).** Architectural Historian/Historian tasked with surveying, writing, and editing NRHP nomination for cast concrete, late Art Moderne transitioning to International Style airport terminal. Prepared for the City of El Dorado, Arkansas. Listed 2018.
- **Bath Veterans Administration Hospital National Register of Historic Places Nomination (Bath, Steuben County, New York).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Edward Hines, Jr., Veterans Administration Hospital National Register of Historic Places Nomination (Hines, Cook County, Illinois).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Lebanon Veterans Administration Hospital National Register of Historic Places Nomination (Lebanon, Lebanon County, Pennsylvania).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Marion Veterans Administration Hospital National Register of Historic Places Nomination (Marion, Williamson County, Illinois).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Roseburg Veterans Administration Hospital National Register of Historic Places Nomination (Roseburg, Douglas County, Oregon).** Architectural Historian/Historian co-author

tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.

- **Cheyenne Veterans Administration Hospital National Register of Historic Places Nomination (Cheyenne, Laramie County, Wyoming).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Coatesville Veterans Administration Hospital National Register of Historic Places Nomination (Coatesville, Chester County, Pennsylvania).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Lyons Veterans Administration Hospital National Register of Historic Places Nomination (Lyons, Somerset County, New Jersey).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **North Little Rock Veterans Administration Hospital National Register of Historic Places Nomination (North Little Rock, Pulaski County, Arkansas).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2013.
- **Alexandria Veterans Administration Hospital Additional Documentation (and Boundary Increase) National Register of Historic Places Nomination (Pineville, Rapides County, Louisiana).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Fayetteville Veterans Administration Hospital National Register of Historic Places Nomination (Fayetteville, Cumberland County, North Carolina).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Albuquerque Veterans Administration Hospital Additional Documentation (and Boundary Decrease) National Register of Historic Places Nomination (Albuquerque, Bernalillo County, New Mexico).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **St. Cloud Veterans Administration Hospital National Register of Historic Places Nomination (St. Cloud, Stearns County, Minnesota).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Wichita Veterans Administration Hospital National Register of Historic Places Nomination (Wichita, Sedgwick County, Kansas).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Lincoln Veterans Administration Hospital National Register of Historic Places Nomination (Lincoln, Lancaster County, Nebraska).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Tucson Veterans Administration Hospital National Register of Historic Places Nomination (Tucson, Pima County, Arizona).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.

- **Knoxville Veterans Administration Hospital National Register of Historic Places Nomination (Knoxville, Marion County, Iowa).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. 2010-2011 Listed 2012.
- **Bedford Veterans Administration Hospital National Register of Historic Places Nomination (Bedford, Middlesex County, Massachusetts).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Batavia Veterans Administration Hospital National Register of Historic Places Nomination (Batavia, Genesee County, New York).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Canandaigua Veterans Administration Hospital National Register of Historic Places Nomination (Canandaigua, Ontario County, New York).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Northampton Veterans Administration Hospital National Register of Historic Places Nomination (Leeds, Hampshire County, Massachusetts).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Tuscaloosa Veterans Administration Hospital National Register of Historic Places Nomination (Tuscaloosa, Tuscaloosa County, Alabama).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Tuskegee Veterans Administration Hospital National Register of Historic Places Nomination (Tuskegee, Macon County, Alabama).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Montgomery Veterans Administration Hospital Historic District National Register of Historic Places Nomination (Montgomery, Montgomery County, Alabama).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Fayetteville Veterans Administration Hospital National Register of Historic Places Nomination (Fayetteville, Washington County, Arkansas).** Architectural Historian/Historian tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Bay Pines Veterans Administration Home and Hospital National Register of Historic Places Nomination (Bay Pines, Pinellas County, Florida).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Indianapolis Veterans Administration Hospital (Cold Spring Road) National Register of Historic Places Nomination (Indianapolis, Marion County, Indiana).** Architectural Historian/Historian tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Lexington Veterans Administration Hospital National Register of Historic Places Nomination (Lexington, Fayette County, Kentucky).** Architectural Historian/Historian tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.

- **Camp Custer Veterans Administration Hospital National Register of Historic Places Nomination (Battle Creek, Calhoun County, Michigan).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Northport Veterans Administration Hospital National Register of Historic Places Nomination (Northport, Suffolk County, New York).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Chillicothe Veterans Administration Hospital National Register of Historic Places Nomination (Chillicothe, Ross County, Ohio).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Murfreesboro Veterans Administration Hospital National Register of Historic Places Nomination (Murfreesboro, Rutherford County, Tennessee).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **Roanoke Veterans Administration Hospital National Register of Historic Places Nomination (Salem, Roanoke County, Virginia).** Architectural Historian/Historian co-author tasked with writing and editing individual NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.
- **United States Second Generation Veterans Hospitals National Register of Historic Places Multiple Property Documentation Form.** Architectural Historian/Historian co-author tasked with researching, developing the historic context, writing, and editing the national multiple property submission NRHP nomination. Prepared for the United States Department of Veterans Affairs. Listed 2012.

Presentations:

- “Balancing Agency Needs and Compliance Requirements – The U.S. Department of Veterans Affairs and Proactive Approaches to Property Stewardship.” American Cultural Resources Association Annual Conference, 2013.
