Professional Experience Summary			
Architectural Historian I, Archaeological Field Technician Cultural Resource Analysts August 2018-Present; July 2015 – July 2017		Graduate Assistant Historic Preservation Department, Ball State University August 2017 – May 2018	
<p>Ms. Reynolds began employment as an Archaeological Field Technician for Culture Resource Analysts, Inc.'s Evansville office in July 2015. As a Field Technician for CRA, Alyssa's responsibilities included surveying pre-historic and historic sites and preparing artifacts for museum curation. She worked in many states including, Illinois, Indiana, Kentucky, Louisiana, Ohio, Virginia, & West Virginia.</p> <p>Prior to her current employment with CRA, Ms. Reynolds served as a graduate assistant with the Historic Preservation Department at Ball State University. Part of this assistantship involved working with the APT (Association for Preservation Technology) to create material preservation briefs for their OSCAR website. While completing her education, she also held an internship with Indiana Landmark's Eastern Regional Office in Cambridge City, Indiana. Alyssa was part of a HABS (Historic American Buildings Survey) class at Ball State where her group received second place for the Peterson Prize by completing drawings and a history of an historic schoolhouse. After graduate school, Alyssa has been employed as an Architectural Historian.</p> <p>As an architectural historian for CRA, Alyssa has served as a field supervisor and surveyor responsible for researching and documenting historic properties by conducting archival research and field surveys, evaluating the significance of historic properties, and preparing written reports that provide summary findings and recommendations for various types of historic architectural projects. She works in many states including, Arkansas, Illinois, Indiana, Kentucky, Michigan, Missouri, Nebraska, North Carolina, North Dakota, Tennessee, Virginia, & West Virginia. Alyssa's primary work is to provide Section 106 documentation for transportation jobs, primarily for the Indiana Department of Transportation (INDOT).</p> <p><u>Additional Training:</u></p> <ul style="list-style-type: none"> Bloodborne Pathogens Training, December 2022. ACHP Section 106 Training, July 2022. HUD NEPA Training, February 2022. Adult First Aid, CPR, and AED, December 2021. HUD Training Illinois & Indiana, June 2021. Preparing National Register Nomination, April 2019. INDOT INSCOPE Training, February 2019.
