Josue R. Nieves, PhD, RPA	Laboratory Director	
Availability: Immediate **Email:** jrnieves@crai-ky.com **RPA Registration ID:** 5091	**Specific Duties:** • Prehistoric and historic archaeology • Artifact Processing and Curation • Data Analysis • Report preparation	**Education and Training:** • Ph.D., Anthropology, William & Mary, Williamsburg, Virginia • M.A., Anthropology, William & Mary, Williamsburg, Virginia • B.A., Archaeology and History, Boston University, Boston, Massachusetts
Experience Summary Information		
Laboratory Director Cultural Resource Analysts, Inc. 2021 – present	**Native Virginia History/Archaeology Specialist** 2014 – present	**Field Archaeologist/Supervisor** Various institutions 2014 – 2017

Dr. Nieves serves as the Laboratory Director in the Henrico, Virginia office of Cultural Resource Analysts, Inc. He has over 10 years of professional archaeological and cultural resource management experience. These experiences encompass all aspects of a given project, including proposal development, site monitoring, field excavations, laboratory analysis, and final report preparation. Dr. Nieves has participated in field and laboratory research throughout the Mid-Atlantic and Northeast regions of the United States, in both historic and prehistoric archaeological contexts. Dr. Nieves's specialized skills include excavation and analysis of prehistoric and historic domestic sites, ethnobotanical analysis, GIS-based mapping, material culture analysis, and complying with federal and state historic preservation legislation. Dr. Nieves is also trained in both state and federal agency curation standards, including those of Virginia's Department of Historic Resources, the National Park Service (i.e., ICMS), and various branches of the Department of Defense (i.e., Army and Navy).

Representative Experience:

- **Archaeological Surveys at GDSNWR and HLN, City of Suffolk and Charles City County, Virginia (2023).**
  Phase I archaeological surveys within proposed project areas. Work performed for U.S. Fish and Wildlife Service.
- **RICH Site Condition Assessment Survey, City of Richmond and Henrico County, Virginia (2022).** CRA Project No. V220273. Work performed for National Park Service.
- **Phase I Archaeological Survey, Chesterfield County, Virginia (2022).** CRA Project No. V220270. Phase I archaeological survey within proposed project area. Work performed for Bonaventure Holdings.
- **Cultural Resource Desktop Review, Catawba County, North Carolina (2022).** CRA Project No. V220241. Desktop review of extant cultural resources within proposed project area. Work performed for OANC Engineering, P.C.
- **Cultural Resource Desktop Review, Catawba County, North Carolina (2022).** CRA Project No. V220240. Desktop review of extant cultural resources within proposed project area. Work performed for OANC Engineering, P.C.
- **PETE Archaeological Investigation of Sinkhole Repair, Petersburg, Virginia (2022).** CRA Project No. V220183. Archaeological monitoring of sinkhole repair project. Work performed for the National Park Service.
- **Cultural Resource Desktop Review and Red-flag Survey, Manassas, Prince William County, Virginia (2022).** CRA Project No. V220158. Desktop review of extant cultural resources and red-flag survey of proposed project site. Work performed for Barge Design Solutions, Inc.

- **Cultural Resource Desktop Review, Catawba County, North Carolina (2022).** CRA Project No. V220125. Desktop review of extant cultural resources within proposed project area. Work performed for OANC Engineering, P.C.
- **COLO Phase III and Endangered Site Evaluation, James City County, Virginia (2022)**. CRA Project No. V18GN01. Phase III data recovery and endangered site evaluation. Work performed for the National Park Service.
- **Phase I Archaeological Survey of 452 Acres, Nottoway County, Virginia (2021-2022).** CRA Project No. V210399. Phase I archaeological survey of Maneuver Area 12 at Maneuver Training Center Fort Pickett. Work performed for the Virginia Department of Military Affairs.
- **Phase I Cultural Resource Surveys, Botetourt County, Virginia (2021).** CRA Project No. V210325. Phase I archaeological and historic architecture survey of proposed project to straighten S-Curve along Southbound Interstate 81. Work performed for the Virginia Department of Transportation.
- **Archaeological Data Recovery, Washington County, Virginia (2021).** CRA Project No. V20V007. Archaeological data recovery excavations of areas of potential of effect resulting from Interstate 81 Exit 17 modifications. Work performed for the Virginia Department of Transportation.
- **Phase II Archaeological Survey, York County, Virginia (2016).** Phase II archaeological survey of Native American cultural resources located within Naval Weapons Station Yorktown officer housing district. Work performed for William and Mary and Naval Facilities Engineering Command Mid-Atlantic.
- **Archaeological Data Review, City of Newport News, Virginia (2015).** Reevaluated accuracy of previous archaeological field and lab work conducted on Fort Eustis properties containing Native American cultural resources. Work performed for Center for the Environmental Management of Military Lands.

Affiliations:

- Member of the Register of Professional Archaeologists
- Member of the Council of Virginia Archaeologists
- Member of the Middle Atlantic Archaeological Conference
- Member of the Archaeological Society of Virginia

Additional Training:

- NPS Artifact Cataloging Standards and ICMS Training (2022; directed by NPS Northeast Region)
- NHPA and Section 106 Workshop (2015, sponsored by the US Air Force; directed by National Park Service)

Selected Publications:

- **Journal Articles:**
  - A Mobile Historical Ecology: Reconsidering Middle and Late Woodland Landscapes – Journal of Middle Atlantic Archaeology (2014)
- **Book Reviews:**
  - Archaeology, Narrative, and the Politics of the Past by Julia A. King - Southeastern Archaeology (2017)
- **Technical Reports:**
  - A Phase I Archaeological Survey for a Mussel Rearing Facility at Harrison Lake National Fish Hatchery, Charles City County, Virginia (2023).
  - A Phase I Cultural Resources Survey of the Southern Section (Segments 1A to 2B) of the Proposed Fall Line Trail, Chesterfield County and Cities of Colonial Heights and Petersburg, Virginia (2023).
  - A Phase I Archaeological Survey for the Proposed FY 24 MCON Project P-732 Child Development Center at Marine Corps Base Quantico, Prince William County, Virginia (2022).
  - A Phase I Archaeological Survey of the 6805 Greenyard Road Development Site, Chesterfield County, Virginia. Prepared for Bonaventure Holdings (2022).
  - A Cultural Resource Desktop Review for the Proposed CLT AZ2 Stover Assemblage Site, Catawba County, North Carolina. Prepared for OANC Engineering, P.C. (2022).
  - A Cultural Resource Desktop Review for the Proposed CLT AZ1-Lyle Creek Project, Catawba County, North Carolina. Prepared for OANC Engineering, P.C. (2022).
  - A Phase I Archaeological Survey of 452 Acres in Maneuver Area 12 at Maneuver Training Center Fort Pickett, Nottoway County, Virginia. Prepared for the Virginia Department of Military Affairs (2022)
