Experience Summary Information			
<b>Lab Intern</b>  Cultural Resource Analysts, Inc. 2021–2022		<b>Field/Lab Technician</b>  Cultural Resource Analysts, Inc. 2022–present	
<p><b>Ms. Eckroth</b> is a full-time field technician at CRA’s Arkansas office. Throughout her time with CRA, she has participated in projects across many states including Missouri, Arkansas, Illinois, Kentucky, Iowa, Oklahoma, Texas, Louisiana, and Mississippi. Ms. Eckroth has participated in many Phase I and a few Phase II projects where she performed various tasks such as pedestrian surveying, shovel testing, soil profiling, auger probing, digging features, and site mapping. Aside from fieldwork, Ms. Eckroth also does lab work and has much experience with cleaning and cataloging artifacts.</p> <p><b>Selected Phase I experience:</b></p> <ul style="list-style-type: none"><li>• Phase I survey for bike path expansion in Washington County, Arkansas, 2025.</li><li>• Phase I survey for a solar project in Lincoln County, Oklahoma, 2025.</li><li>• Phase I survey for a solar project near Jones County, Texas, 2025.</li><li>• Phase I survey for Poverty Point World Heritage Site in West Carroll Parish, Louisiana, 2025.</li><li>• Phase I survey for a power line project in Gregg County, Texas, 2024.</li><li>• Phase I survey for a solar project in Sunflower County, Mississippi, 2023-2024.</li><li>• Phase I shoreline survey for Toledo Bend Reservoir, Louisiana and Texas, 2023.</li><li>• Phase I survey for a development by the Missouri River in Clay County, Missouri, 2022.</li><li>• Phase I survey for a solar project in Scott County, Iowa, 2022.</li><li>• Phase I survey for a solar project in Cape Girardeau County and Scott County, Missouri, 2022.</li></ul> <p><b>Selected Phase II experience:</b></p> <ul style="list-style-type: none"><li>• Phase II survey of a historic farmstead for a quarry expansion in Simpson County, Kentucky, 2025.</li><li>• Phase II survey of a prehistoric site for a quarry expansion in Livingston County, Kentucky, 2024.</li></ul>
