| Experience Summary Information | | | |
| Field and Laboratory Technician Cultural Resource Analysts, Inc., Hurricane, West Virginia 2003 - present | Management Aide West Virginia Division of Natural Resources (Wildlife Division), Huntington, West Virginia 2000 - 2002 | Combat Engineer - Paratrooper U. S. Army, Fort Bragg, North Carolina 1994 - 1997 | |
| Experience: <p>Mr. Baker is a full-time survey and excavation employee at Cultural Resource Analysts, Inc. While serving in the U. S. Army he was a combat mission and explosive demolitions team-leader and a member of an international peace-keeping mission in Sinai, Egypt. Working at the West Virginia Division of Natural Resources, his responsibilities were to assist in the maintenance of the Greenbottom Wildlife Management Area, including wildlife population and ecosystem management. Mr. Baker came to work with Cultural Resource Analysts, Inc., in 2003. His duties encompass all aspects of archaeological investigation. These responsibilities include fieldwork and laboratory analysis, as well as report preparation and completion. He has participated in fieldwork mostly in Ohio, Virginia, and West Virginia. This has included field and laboratory work on numerous phase I surveys, phase II National Register evaluations, and phase III data recovery investigations for various clients on both historic and prehistoric sites. His responsibilities include</p> <ul style="list-style-type: none"> • Conducting phase I and II archaeological investigations, • Authoring technical reports, and • Prehistoric artifact analysis. | | | |
