Experience and Expertise:

- Prehistoric Archaeology
- Historic Archaeology
- Curation standard operating procedures
- Lab methodology
- Prehistoric cultures of the Ohio River Valley and Appalachian Mountains

Experience:

Ms. Hill is a full time Office Manager at Cultural Resource Analysts, Inc. Along with her office administrative experience, Ms. Hill also has 10 years of experience in all phases of archaeological excavation and laboratory processing. She has participated in hundreds of Phase I archaeological surveys and numerous Phase II and Phase III investigations. Her experience is centered in West Virginia, but she had also worked within Ohio, Kentucky, Pennsylvania, Virginia and Indiana. Ms. Hill is also involved with laboratory processing of archaeological materials. She has taken part in many aspects of the curation processes for the West Virginia and Virginia Curation Facilities. She has also performed numerous Record Searches at the West Virginia State Historic Preservation Office for various surveys and reports.

Her responsibilities include:

- Office administration
- Participating in all Phases of archaeological investigations
- Curation of materials from West Virginia, Virginia, Pennsylvania, and Ohio

- Laboratory processes, information entry, and management
