Grid Supervisor / Undergraduate Intern: University of Oklahoma Archaeological Fieldschool. June 1-July 2, 2004. Phase III mitigation of Bryson-Paddock Site (34Ka5), a late Eighteenth century Wichita Village/ French Contact site. Oklahoma Archaeological Survey, Norman, OK, University of Oklahoma, Norman, OK, and Oklahoma State University, Stillwater, OK.

Archaeological Fieldschool: Cimarron Archaeological Project, New Mexico, Phase III mitigation of a Vermejo Phase structure site. June-July 2003. University of Oklahoma, Norman, OK

Phase II Experience

Field Technician: Phase II field work for pipeline in Wyoming. May -June 2006. Metcalf Archaeological Consultants, Inc., Golden, CO.

Crew Member: Van Winkle's Mill Exploratory Phase II Testing. Van Winkle Hollow, Little Clifty Creek, Benton County, Arkansas. October 3-7, 2005. University of Arkansas, Fayetteville, AR.

Phase I Experience

Field Supervisor: Little Bayou Pierre Mitigation Bank Survey (L13D001), 297 acre Phase I survey in Claiborne County, Mississippi, March-April 2013. Delta Land Services, Inc., Port Allen, LA.

Field Supervisor: Buffalo Creek Interconnect (L13C003), 2.4 mile pipeline Phase I survey in Beckham County, Oklahoma, March 2013. CenterPoint Energy, Shreveport, LA, and C-K Associates, LCC, Houston, TX.

Field Supervisor: Beverly Drive-In Theatre Survey (L13E001), 12.3 acre Phase I survey in Forrest County, Mississippi, February 2013. EcoSystems, Inc., Jackson, MS.

Field Supervisor: CEGT/ENOGEX Pipeline Interconnect (L13C001), 1.43 acre Phase I survey in Caddo County, Oklahoma, January 2013. CenterPoint Energy, Shreveport, LA, and C-K Associates, LCC, Baton Rouge, LA.

Field Supervisor: Pete Modica Rd. Survey (L13P001), 396m linear Phase I in Bossier Parish, Louisiana, January 2013. PAC Environmental, Monroe, LA.

Field Technician: Phase I field work for pipeline in Colorado. June -August 2006. Metcalf Archaeological Consultants, Inc., Golden, CO.

Crew Chief: Little Arkansas River Watershed Survey. Phase I investigation. March 13-17, May 2005. Dr. Donna Roper, Manhattan, KS.

Laboratory/Research Experience

Mortuary Material Culture Studies:

Independent Consultant: Mortuary hardware analysis. December 2012. Desert Archaeology, Inc., 3975 North Tucson Boulevard Tucson, AZ.

Independent Consultant: Mortuary hardware analysis. December 2012. Prewitt & Associates, Inc., 2105 Donley Dr., Suite 400, Austin, TX.

Independent Consultant: Mortuary hardware analysis. October 2012. AmaTerra Environmental, Austin, TX.

Independent Consultant: Mortuary hardware analysis. August 2012. Immanuel Lutheran Church, Hoxie, KS.

Independent Consultant: Mortuary hardware analysis. November 2011. Department of Anthropology, University of West Florida, Pensacola, FL.

Independent Consultant: Mortuary hardware analysis. March-August 2011, October 2012. Geo-Marine, Inc., Plano, TX.

Independent Consultant: Mortuary hardware analysis. March 2011. Prewitt & Associates, Inc.,

Austin, TX.

Independent Consultant: Mortuary hardware analysis. July 15-19, 2010. Brockington & Associates, Norcross, GA

Material Culture Consultant, Report Co-Author: Mortuary hardware analysis. January-August 2009. Statistical Research, Inc., Tucson, AZ,

Archaeoparasitological and Osteological Analyses:

Parasite Consultant: ELISA testing, MacArthur Cemetery burials. January 2012. New South Associates, Inc., Stone Mountain, GA.

Parasite Consultant: ELISA testing, Dead Man's Island burials. January 2012. Department of Anthropology, University of West Florida, Pensacola, FL.

Parasite Consultant: ELISA testing, St. Michael's Cemetery burial. November 2011-January 2012. Department of Anthropology, University of West Florida, Pensacola, FL.

Parasite Analyst: ELISA and traditional testing, Alameda-Stone Cemetery burials. November 2011-January 2012. University of Florida (PhD Research) on behalf of Statistical Research, Inc., Tucson, AZ, and Pima County, AZ.

Parasite Consultant: Louse testing from comb sediment, MacArthur Cemetery burial. March-August 2011. New South Associates, Inc., Stone Mountain, GA.

Osteologist: Osteological Analysis, Meadowlark Cemetery. January-May 2007. University of Arkansas (MA Research on behalf of Meadowlark Hills Retirement Community, Manhattan, KS.

Archival and Non-Mortuary Materials Analyses:

Artifact Analyst: Buffalo Creek Interconnect (L13C003), historic artifacts, March 2013. CenterPoint Energy, Shreveport, LA, and C-K Associates, LCC, Houston, TX.

Artifact Analyst: Ram Tract R-1 (L12R002), historic artifacts, February 2013. RAM Terminals, LLC, Madisonville, KY.

Artifact Analyst: Olympia Minerals #35 Pipeline (L12C016), historic and prehistoric artifacts, January 2013. CenterPoint Energy Field Services, Shreveport, LA.

Artifact Analyst: England Airfield Survey (L12P004), historic artifacts, January 2013. England Economic & Industrial Development District, Alexandria, LA, and Pan American Engineers-Alexandria, Inc., Alexandria, LA.

Researcher: Land records research, July 2009-December 2010. Geo-Marine, Inc., , Plano, TX.

Technical Assistant I: Artifact analysis, data entry, cataloging, December 2005 – May 2007. Arkansas Archeological Survey, Fayetteville, AR.

Researcher: Bibliography for paleoenvironmental reconstruction, August 2009-May 2010. Geo-Marine, Inc., Plano, TX.

Faunal Analyst: August –December 2007. Southeastern Archaeological Research, Inc., Newberry, FL.

Laboratory Assistant: Lithic analysis, obsidian sourcing, August 2003 – December 2004. University of Oklahoma, Norman, OK.
