<p>Kerri M. Ross, M.H.P. Miss Ross received her master's degree in Historic Preservation in 2019 and began employment as an Architectural Historian for Culture Resource Analysts, Inc.'s Knoxville office in May 2019. Miss Ross' responsibilities at CRA include researching and documenting historic properties by conducting archival research and field surveys, evaluating the significance of historic properties, and preparing written reports that provide summary findings and recommendations for various types of cultural historic projects. Miss Ross has experience surveying various types of projects for Section 106 compliance, documenting with field notes and measured drawings, and working with mapping software. She also has experience evaluating the potential effects such projects have on sites listed in or determined eligible for listing in the National Register of Historic Places. Miss Ross has the training to conduct professional archival research on historic properties and to compile written reports synthesizing various types of information.</p> <p><u>Additional Training:</u></p> <ul style="list-style-type: none"> FAAC Railroad Safety Training, Columbia, SC, 2019 CSX Railroad Safety Training, Columbia, SC, 2019 <p><u>Representative Projects:</u></p> <ul style="list-style-type: none"> <u>Greenbelt Warehouse Cultural Resource Survey.</u> Louisville, Kentucky.
