Experience Summary Information			
Field Technician		Archaeological Field School	
Cultural Resource Analysts, Inc. July 2022 - present		Fort Ouiatenon, West Lafayette, Indiana, May-June 2022	
<p>Mr. Pinkstaff is a field technician at Cultural Resource Analysts, Inc. He participated in a phase II excavation in field school at an archaic midden and a wigwam structure near the 18th century French fur trading site of Fort Ouiatenon in West Lafayette, Indiana. The artifacts and features unearthed there were representative of both historic and prehistoric time periods. At CRA, Mr. Pinkstaff has worked on several phase I surveys that included shovel testing, auger probing, pedestrian survey, and soil profiling, and also has worked in the CRA laboratory.</p>			
Projects:
