Experience Summary Information					
<p>Field Technician</p> <p>Cultural Resource Analysts, Inc. July 2022 - present</p>		<p>Archaeological Field School</p> <p>Fort Ouiatenon, West Lafayette, Indiana, May-June 2022</p>			
<p>Mr. Pinkstaff is a field technician at Cultural Resource Analysts, Inc. He participated in a phase II excavation in his field school at an archaic midden and a wigwam structure near the 18th century French fur trading site of Fort Ouiatenon in West Lafayette, Indiana. The artifacts and features unearthed there were representative of both historic and prehistoric time periods. At CRA, Mr. Pinkstaff has worked on phase I surveys that included shovel testing, auger probing, pedestrian survey, and soil profiling. He has also worked on one phase II excavation with CRA that consisted of trench monitoring, wall profiling, total station data collecting, and test unit excavating. In the CRA laboratory, Mr. Pinkstaff has worked with cleaning, sorting, cataloging, and preparing artifacts for curation as well as small report writing.</p>
