Experience Summary Information			
Director of Operations – Virginia Cultural Resource Analysts, Inc. Henrico, Virginia June 2021 – Present	Staff Archaeologist and Laboratory Director Cultural Resource Analysts, Inc. Evansville, Indiana January 2014 – May 2021	Cultural Resources Supervisor and Archaeologist Epsilon Systems Solutions, Inc. Ridgecrest, California December 2013 – October 2010	
<p>Mr. DeBoer serves as the Director of Operations for the Virginia Office of Cultural Resource Analysts, Inc. (CRA). His duties include operations management, project management, preparation of proposals and budgets, business development, report preparation and oversight, and management of multi-disciplinary teams for all types of archaeological endeavors, including survey, evaluations, and data recovery mitigation. He has over 15 years of professional archaeological experience on small, medium, and large-scale projects in the states of California, Indiana, Kentucky, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nevada, New Mexico, North Carolina, North Dakota, Ohio, South Dakota, Utah, Virginia, and Wyoming. This experience encompasses all stages of a given project, from proposal development to final deliverable acceptance, and fieldwork to laboratory analyses. Mr. DeBoer has extensive experience with projects that comply with Sections 106 and 110 of the National Historic Preservation Act, as well as those that comply with various state, county, and/or municipality-specific preservation laws. He has presented papers and posters at national and regional archaeological conferences, and co-authored an article in a national archaeological journal.</p> <p>Representative Virginia Supervisory Experience:</p> <p>A Supplemental Phase I Cultural Resources Investigation of the Southern Section (Segments 1A to 2B) of the Proposed Fall Line Trail, Chesterfield County and Cities of Colonial Heights and Petersburg, Virginia. 2023.
